

We go to church... do you?

The picture is right, the saying is true... "We Go to Church... Do You?" God has set the solitary in families, so that each could help the other do better than he could do alone. We sleep as families, we eat as families, we play as families, we work as families. That means we live as families. Children will find "church going" easy if they have the family as company.

"We go to church" for our own sakes. We want to live nearer to the ideal. "Just as the soil grows sour and barren without sunshine, so must the human heart have its heaven, if it is to keep sweet and rich and productive of good. At church we bow together before the God of forgiving grace, and tell our sins to Him, The good family on the earth may be the unbroken family in Heaven. "We Go to Church... Do You?"

You In The Church... The Church In You
Form a combination for good. We should attend church regularly. Every man, woman and child needs the influence of the CHURCH. Be faithful. Be a Churchman!
